NOtwithstanding the Notices which have already appeared in the London Gazette, requiring all Lieutenants of His Majesty's Navy, who shall be unemployed, to give Information to this Office of the Places of their Abode, many of them have omitted to comply therewith; It is therefore the Direction of the Lords Commissioners of the Admiralty, that such Lieutenants do immediately transmit hither the Information above required; and that such of them as are incapable, either from Age or bodily Infirmity, of further Service, do, at the same Time, transmit an Affidavit from a qualified Surgeon of such Inability, specifying therein the Cause or Causes thereof; that their Lordships may judge how far it may be proper to call for the further Services of such Lieutenants.

In case the same Disregard should be paid to this as hath been shewn to the former Notices, it is their Lordships Intention to mark their Disapprobation of the Conduct of such Officers in the strongest Manner, by striking their Names off the List of Lieutenants of His Majesty's Navy.
